Cinnamon Swirl French Toast

WHAT: A miniature slice of bread with a cinnamon swirl, dunked in a sweet egg mix. Fully cooked and ready to heat and serve.

WHY: True, back-of-house quality will delight your guests looking for a sweet start to their day. A great portion control item for buffets, banquets and catering. The smaller slices offer just enough sweetness to satisfy and delight adults, and are perfect for kids!

A SPIN: When used as a sandwich carrier it creates a perfect sweet and savory combination. At about 4" square, the Cinnamon Swirl French Toast is just the right size for the most popular egg and sausage patties.

Fully Cooked Refrigerated Scrambled Eggs

WHAT: Fully cooked and packaged in 1.85 lb bags, our Precooked Refrigerated Scrambled Eggs are available with Conventional or Cage-Free egg.

WHY: Take the hassle, stress and mess out of serving eggs. Ready in just minutes, Refrigerated Scrambled Eggs are an easy prep solution for breakfast. This product is pasteurized and fully cooked, eliminating food safety concerns. Simply heat and serve!

A SPIN: This item is a perfect base for breakfast burritos, wraps and pizzas. You can bring three of the fastest growing breakfast entrees to your menu with ease!

Refrigerated Liquid Eggs

WHAT: Our Liquid Egg products are available in a variety of convenient packaging formats and formulas, made with Cage-Free or Conventional egg.

WHY: No kitchen should be cracking eggs! Liquid Eggs speed up prep and enhance food safety. Liquid Whole Eggs work great for breakfast staples and baking. Scrambled Egg Mixes are ready to pour on the griddle, no mixing or mess!

A SPIN: An evergreen and versatile protein, think beyond a side of scrambled eggs. Quiches, breakfast tacos, egg foo young and more, there's excitement to be served!
