Stir up Soups

with Mashed Potatoes

Mashed potatoes added to soups are a natural thickener and provide richness in flavor which enhances both rustic and refined soup recipes.

**You won't believe what
mashed potatoes can do.**

**SIMPLY
POTATOES®**

With Simply Potatoes® Mashed Potatoes it has never been easier to create ultra-creamy soups, with unmatched texture and flavor, simply stir in and simmer.

Our Mashed Potatoes deliver:

- Scratch-quality, never frozen, and made with 100% real potatoes.
- Completely prepped, refrigerated, and ready-to-go so they save you time and labor.
- Creamy, hearty, taste and texture.

Transform your soup with one simple ingredient – mashed potatoes

From chowder to globally inspired, innovative restaurants are embracing this easy addition to soup recipes and our Simply Potatoes® Mashed Potatoes are the ultimate speed-scratch ingredient.

- Gluten-free and vegetarian, our mashed potatoes fit seamlessly into a wide variety of recipes.
- Use up excess ingredients – utilize any extra mashed potatoes on hand as an efficient way to repurpose and create extra creamy soups.

See all of our mashed potato recipes on our website.
