Why Papetti's®?

Our protein-rich, grab-and-go selections are a proven hit with students and are ideal for à la carte service. Designed to support focus and sustained energy throughout the school day, these items require little-to-no prep—making them a smart (or as we like to say, "EGG-cellent") operational choice. Serve them on their own or pair with fresh fruits and vegetables. Either way, this combination of nutrition, convenience, and compliance makes the grade for any school foodservice program.
